Hi Phil -

Glad you had a good time and got lots of fish! Yes, I did have a few days off and went back to South Dakota. It's beautiful back there, and the smell of the Black Hills was wonderful! I saw deer, antelope, a big bull elk with a huge set of antlers, and buffalo. I think it's going to be the place where I settle, once I feel secure enough to leave EPA.

Your travel request wasn't attached....but remember to cc Marla as well because she'll need to add the accounting.

Thanks Phil...welcome back!

Hi Peg,  
Here is a travel request for the Bristol Bay assessment peer review meeting.

Did you have some vacation? We had a rainy backpack trip along Resurrection Bay. It was fun despite being wet. The we dip netted. We are almost finished processing our fish.

Thanks  
Phil
